Wild Saturday Fun for All Ages at Nashville Zoo

Infuse a little wild into Saturdays this fall with Nashville Zoo's education programs. Nashville Zoo offers programs for all ages, including adventures designed to bring the whole family together.

On Nov. 8, kids can stretch out and find their inner animals at YogaKids. Nashville Zoo's education staff is partnering with YogaKids for the wildest yoga in Music City. Children ages 4 and older can stretch out, relax and actually meet one of the animal inspirations for a pose they learn. YogaKids is held in the Zoo's Croft Center from 9 – 10:30 a.m.

As dusk approaches on Nov. 8, Nashville Zoo offers a completely different experience for the whole family. Twilight Adventures runs from 6 – 10 p.m. and is designed for families with children ages 5 and older. This evening adventure features a twilight hike, snacks, crafts, animal presentations and more. November's theme is "Year of the Frog."
